She noted that in late September Board members Julianne, Victoria, and Melissa joined her in interviewing Alexandra Barnhill of Jarvis Fay Law Firm. She came recommended by our current lawyer Ben Stock of Burke, William, and Sorenson; who also represents the Town of Tiburon. They had a very pleasant and professional interview with Alexandra and Jarvis Fay's rates are similar to our current representation. VII. <u>Discussion Item- Fall and Winter Program Updates</u>

We are nearing the end of Fall two session. Winter begins the first week of January, which will include the second round of Cotillion and 1st-2nd basketball league, as well as a high school Super League. Fall was extremely successful, we had strong attendance in after school youth programming. We are about to welcome our new Youth Recreation Supervisor, Olivia Ruth, which will help allow us to create more programs and take more participants. We anticipate reaching our registration goals for the Winter session.

VIII. <u>Discussion Item- The Ranch Financials</u>

Hotchkiss reviewed The Ranch financials year to date through September 2024. Noting that we are still on track to meet our financial goals before the new fiscal year starts March 1, 2024.

IX. <u>Discussion Item- Draft 2024-2025 Budget</u>

Our Recreation Director, Hotchkiss, also presented first draft of the 2024-2025 budget along with the 2024-2025 fiscal year budget. Director Hotchkiss noted the demand for After School Youth programming is continuing to grow. We are starting to reach our After School maximum capacity. We only have so many classrooms, so we're starting to consider classes that start at later times of the day. Tennis key sales are going back to numbers before the pandemic. We are eager to implement what we learned from the survey and apply it to our upcoming events and sessions.

THE RANCH RESERVE POLICY STATUS

Goal of policy is to keep in reserves 6 months worth of our annual non-program related expenses to cover any future catastrophe that would affect Ranch operations.

- Current total reserves as of 3/1/2023: \$406,235
- Expect to end the 23-24 FY with a net of approx. \$73,000 to an approx. total of \$479,000 in reserves
- 50% of non program related expenses for draft 24-25 FY budget are: \$400,119 therefore this draft budget again meets our reserve policy goal thus we predict to have an excess of \$78,800 in reserves as of 3/1/2024
